Relation with other Modules			
Relationship with other subjects			
Prerequisite module	None	Semester	
Co-requisites module	None	Semester	

Module Aims, Learning Outcomes and Indicative Contents	
Course Objectives, Learning Outcomes, and Instructional Contents	
Module Objectives Course Objectives	<ol style="list-style-type: none"> 1. Identify the main legal provisions governing the prosecution of crimes under the Iraqi Supreme Criminal Court Law of 2005. 2. Analyze the psychological effects on individuals and communities affected by the crimes of the Baath regime. 3. A study of the social effects of the policies and actions of the Baath regime on Iraqi society. 4. Assess the most prominent violations committed by the Baath regime, with a focus on their impact on human rights. 5. Assess the environmental damage caused by the Baath regime in Iraq and its impact on public health. 6. Investigate the historical context and significance of mass graves as evidence of crimes committed during the Baath period. 7. Understand the role of international law in addressing the crimes of the Baath regime and ensuring accountability. 8. Explore transitional justice mechanisms and their importance in dealing with the legacy of the atrocities of the Baath regime. 9. Promote awareness and understanding of the crimes of the Baath regime and their ongoing effects on Iraqi society. 10. Contribute to the dialogue on human rights violations and historical justice in post-Baath Iraq.
Module Learning Outcomes	1- Preparing a university generation that is aware of the political events in their

<p>Learning Outcomes for the Course</p>	<p>country.</p> <ol style="list-style-type: none"> 2- Raising the awareness of the current generation about the political future of their country. 3- The student should be aware of reliable information and not rely on it from various sources. 4- Demonstrate a comprehensive understanding of the legal framework for prosecuting crimes under the Iraqi Supreme Criminal Court Law of 2005. 5- Analyze the psychological impact of historical atrocities on individuals and societies in the context of the Baath regime in Iraq. 6- Assessing the social effects of the Baath regime's policies and actions, and their ongoing effects on Iraqi society with constructive criticism. 7- Assess the impact of serious human rights violations committed during the Baath regime on the broader political and social fabric of Iraq. 8- Assess the environmental consequences of the actions of the Baath regime in Iraq, with a focus on understanding the impacts on natural resources and public health. 9- Interpreting the historical significance of mass graves as evidence of crimes committed during the Baath era in Iraq. 10- The student is familiar with the mechanisms of international law to assess the accountability of the Baath regime for its crimes under international law.
<p>Indicative Contents How-to Contents</p>	<p>The course is divided over the course of the second course of the academic year (2025-2026) into: the concept of crimes and their divisions, the definition of crime in language and terminology, the crimes of the Baath regime according to the documentation of the law of the Iraqi Supreme Criminal Court in 2005, types of international crimes, psychological crimes, mechanisms of psychological crimes, social crimes, the attitude of the Baathist regime towards religion, violations of Iraqi laws, environmental crimes of the mite regime in Iraq, war and radiation pollution and mine explosions. Draining of Marshes, Mass Grave Crimes, Genocide Grave Events, Timeline of Genocide Cemeteries.</p>

<p>Learning and Teaching Strategies</p> <p>Learning and Teaching Strategies</p>	
<p>Strategies</p>	<p>The basic learning strategies are:</p> <p>The main strategy used in teaching this subject is to encourage students to participate in home activities that develop information about some of the terms contained in the subject, while refining and expanding their critical thinking skills. This</p>

	is achieved through interactive lessons, discussing types of events that took place during the Baath regime that include some simulation activities that are of interest to students

Grading Scheme				
Grading Chart				
Group	Grade	Recognition	Marks %	Definition
Success Group (50 - 100)	A - Excellent	Privilege	90 - 100	Outstanding Performance
	B - Very Good	Very good	80 - 89	Above average with some errors
	C – Good	Good	70 - 79	Sound work with notable errors
	D - Satisfactory	Medium	60 - 69	Fair but with major shortcomings
	E - Sufficient	Acceptable	50 - 59	Work meets minimum criteria
Fail Group (0 – 49)	FX – Fail	Deposit (in processing)	(45-49)	More work required but credit awarded
	F – Fail	Failure	(0-44)	Considerable amount of work required

Note: Marks Decimal places above or below 0.5 will be rounded to the higher or lower full mark (for example a mark of 54.5 will be rounded to 55, whereas a mark of 54.4 will be rounded to 54. The University has a policy NOT to condone "near-pass fails" so the only adjustment to marks awarded by the original marker(s) will be the automatic rounding outlined above.
